

INTERESTED IN MANAGEMENT CONSULTING?

APPLY NOW FOR A POSITION AT OUR
STOCKHOLM OFFICE

Quartz+Co is looking for full-time consultants for our Stockholm office.

Instead of running interviews throughout the year, we introduce a new recruitment process in Stockholm, where candidates are invited to our recruitment camp. Over two days, you will get the chance to learn more about what it is like to be a consultant at Quartz+Co and show us who you are through a combination of interviews and group exercises on business dilemmas.

We are building a Nordic original

Quartz+Co is a first-tier management consulting company with 140 consultants working from our offices in Stockholm, Copenhagen and Oslo, but with a reach far beyond Nordic borders. We have a strong focus on accelerating our growth - particularly in Stockholm and Oslo.

We see consulting as a true career path

Quartz+Co offers our consultants the opportunity to influence their own career progression and work life. We strive to provide individualised matchmaking between personal wishes and project opportunities to ensure that consulting is a true career path, not just a stepping stone.

We strive to be number one

Quartz+Co is among the top-three management consulting companies in Univer-sum's student survey on ideal employers in Denmark, with a brand history of just three years. While we cannot say exactly when we will make it to top three in Sweden, we can say that we will get there.

We work with intriguing clients

Quartz+Co works with large and intriguing clients across a vast array of industries. Our clients include EQT, Getinge, SAS, Maersk, Danske Bank, Nordic Capital, PostNord, Aker, SEB, LEGO, SJ, Carlsberg, Coop, Green Cargo, Egmont, Pernod Ricard, Arla and Scandic.

Apply at www.quartzco.com/career before October 31.
