

# Kick-start your career in management consulting

## We are strengthening our Student Analyst unit

We offer top performers the opportunity to join our consulting team as a Student Analyst in Copenhagen. You will be part of project teams of 3-4 consultants where you will be exposed to the insights, methodologies and collaborative working style we use to deliver “Immediate Impact, Growing Advantage” to clients. In addition you will support consultants in business development activities. Expect to get an inside-view on the world of consulting, as well as the opportunity to make your mark among our team of trusted advisors to the business world.

### **A.T. Kearney offers**

- The best on-the-job training to prepare you for a career in management consulting
- A dynamic, challenging and international work environment
- Rapid personal development through project experience
- A buddy and mentor program
- A young and down-to-earth environment

### **You should apply if you are**

- A B.Sc. or M.Sc. with at least two years left of your studies
- Considering a career within management consulting
- Open-minded, flexible and a team player
- Driven, motivated and ambitious
- Results-oriented and reliable
- In top 10% of your class
- Fluent in English and a Scandinavian language

Please apply online via our webpage <http://www.atkearney.dk/careers/apply>.

Deadline for application is 1 June 2015. Note that the interview process will consist of two rounds.

Expected start in August 2015.

---

A.T. Kearney is a strategic management consulting firm, working with the world's leading organizations to achieve lasting, tangible results. Since 1926, our global team of forward-thinking, collaborative consultants has been trusted advisors on CEO-agenda issues across all major industries and sectors. A.T. Kearney's 58 offices are located in 40 countries. In the Nordic region we are represented in Copenhagen, Stockholm, Oslo, and Helsinki, and we work with blue chip companies and Private Equity firms across a range of strategic and operational topics.
