

Rocket your career

with Cupole Academy

CUPOLE | 
CONSULTING GROUP

Cupole Consulting Group is the fastest growing firm in the Nordic management consulting industry.

We provide in-depth expertise within Strategy & Corporate Management, Marketing & Sales, and Operations for leading Nordic and global companies in all major industries. Our team consists of more than 60 consultants, with extensive experience from management consulting and leadership positions as well as graduates from top universities.

We truly believe that we outperform our competition in creating value for both our clients and employees by challenging the traditional ways of the management consulting industry through:

- » An inclusive culture nurtured by entrepreneurship, daring ambition, and playfulness
- » An approach guided by compassion, integrity and, a hands-on, no-nonsense mentality
- » A diverse team of experienced consultants and top graduates

Cupole Academy is our one year graduate program that will rocket your career!

Graduates are offered an opportunity to join us by applying to our Cupole Academy program, a one year training program fast-tracking your professional and personal development. In parallel with Cupole Academy you will deliver as a full-fledged consultant in high end projects while being part of shaping the fastest growing management consultancy firm in the Nordics.

We are looking for exceptional graduates to join our journey. Next Cupole Academy will start in September 2016, and we have four assessment periods with application deadlines:

October 18th 2015 (period 1), November 15th 2015 (period 2),
December 13th 2015 (period 3) and February 14th 2016 (period 4).

The positions will be filled continuously so do not wait to submit your application!
